PRESRV™

WINE & BEVERAGE COOLER

DUAL ZONE

The Presrv™ French Door Wine & Beverage Cooler is the ultimate in sophisticated home beverage service. This large capacity cooler maintains two distinct temperature zones with PreciseTemp™ temperature control, Active Cooling Technology and loads of other features from Full Extension Wood Racks to a vibration dampening system and more. The elegant French Door detailing shows that you love fine design at least as much as perfectly chilled wine.

Full Extension Wood Racks

Optional Pro Handles

How Presrv™ Stands Out:

PreciseTemp™
Multiple internal sensors help maintain accurate temperatures

Vibration Dampening System
Noise and vibration is reduced to minimize wine disturbance

Active Cooling Technology
An on-board computer controls active cooling fans to provide temperature stability and even cooling

3-Color LED Lighting
Available in Cloud White, Deep Blue and Amber
