

# ELICA

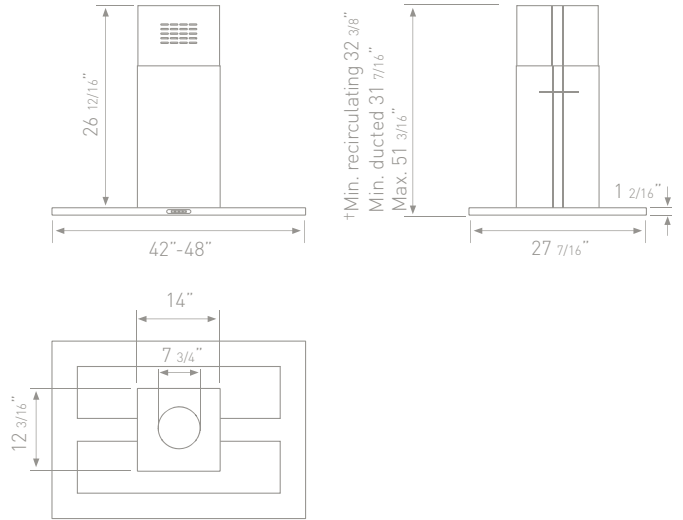

COLLECTION

## ATLANTIS ISLAND

Suspended in mid-air above the cooking area, the stunning cantilevered architecture of the Atlantis Wall hood ascends to new heights here in the Atlantis Island design. A slim plane of glass lends a sense of light and air to the linear stainless steel structure. Four halogen lamps guarantee excellent illumination. A truly bold presence, worthy of the world's finest kitchens.

# ELICA COLLECTION

\*Ductless (recirculating); louver holes exposed.  
 Note: if necessary order the proper duct cover extension kit.
