

# ROMA<sup>WALL</sup>

As distinctively bold as the city it's named for, Roma's sharp, angular presence points to a new direction for our Europa Collection. We worked closely with our design team to find ways to deliver exciting contemporary design at a surprisingly affordable cost. Ideal for the design-savvy renovator on a budget, the high-rise developer who strives for quality in both form and function, or the builder who needs mass but won't settle for mediocrity, Roma offers the best of many worlds. Prego!
