

TYPHOON

AK2100 AK2136 AK2142 AK2148

Zephyr's high performance hoods provide maximum ventilation for today's kitchens. All of Zephyr's ventilation products deliver two to three times the power of a conventional range hood. Designed for convenience and efficiency, the self cleaning feature eliminates the use of a restrictive baffle or mesh filtration unit. Manufactured with the highest quality in mind, Zephyr's innovative product line is ISO-9001 certified and carries a remarkable reputation in function, design, and warranty.
