Titan challenges the definition of pro-style hoods with its impressive size, powerful blower, and stunning good looks. Featuring Zephyr's new PowerWave™ technology, Titan features a 750-CFM blower with the option to combine two blowers together to achieve 1,300 CFM. Its unique aero-dynamic blades improve efficiency with unparalleled quiet operation. The ultimate workhorse in the kitchen, Titan is available up to 60-inches and features pro baffle filters and LED lighting.

## Specifications

**Airflow Control Technology™ (ACT™)** is an exclusive feature built into specific Zephyr hoods which can limit the maximum blower CFM to meet local code requirements. 

**PowerWave™ 3-Phase Blower Technology** delivers best-in-class performance with unparalleled quiet operation. It provides more power while minimizing noise and improving efficiency. Plus, its 1,300 CFM blower option makes it the most powerful dual-internal blower on the market.
