

PRESRV™

GOURMET CLEAR
ICE MACHINE

PANEL READY

Meet your new favorite entertaining accessory—the Presrv™ Gourmet Clear Ice Machine. It delivers crystal-clear, slow-melting cubes—a quiet upgrade your home bar didn't know it was missing. A sleek TFT touchscreen puts intuitive control right at your fingertips, while every

unit ships ready for both drain pump and gravity drain installation right out of the box. Wherever your space calls for it, this machine is already one step ahead. Sophisticated, self-sufficient, and endlessly satisfying: this is ice, upgraded.

How Presrv™ Gourmet Clear Ice Machine Stands Out:

Intuitive Cleaning Process

The guided cleaning process walks you through every step, and pairs perfectly with Zephyr's own descaling solution.

Active Leak Protection

The built-in leak detection system can sense an internal water leak and shuts off the internal water valve automatically.

Built-In Drain Pump or Gravity Drain

Every unit ships ready for both drain pump and gravity drain installations right out of the box.

Built-In Water Filter

Integrated filtration works quietly behind the scenes, improving taste, reducing odor, and minimizing scale buildup.

Interactive TFT Touch Controls

The sleek TFT touch controls showcase cleaning guides, maintenance reminders, and diagnostics all in one, at-a-glance display.

316-Grade Stainless Steel Ice Scoop

Precision-crafted from 316-grade stainless steel—food-safe, corrosion-resistant, and built to thrive in wet, high-humidity environments.

MODEL

Panel Ready Gourmet Clear Ice Machine	PRCG15P0AP
Size	15"
Dimensions	14-7/8"W x 33-7/8"H x 23-1/8"D
Weight	106lbs.
Installation Type	Compact / Built-in / Freestanding
Refrigerant Type	R290

FEATURES

Maximum Daily Ice Production	80lbs. (at 70°F air / 50°F water)
Rated Daily Ice Production	70lbs. (at 90°F air / 70°F water)
Maximum Ice Storage Capacity	26lbs.
